REPORT OF SUPERINTENDENT

To the School Board and citizens of Bethlehem School District:

As Superintendent of Schools, it is with pleasure I submit my fourth annual report to you.

During the past year (1968-1969) there were 203 pupils enrolled in Bethlehem School. The average membership was 167.4.

This school year, there are 177 pupils attending Bethlehem School. There is a total of 76 tuition pupils registered in schools outside the district. Of this number, one is enrolled in Littleton Junior High, 73 are enrolled in Littleton High School, one in St. Johnsbury Trade School, and one in the White Mountains Regional High School. Tuition rates this year at Littleton are \$595.00 Junior High and \$725.00 High School. The tuition rate this year at White Mountains Regional High School is \$710.00.

Your central office has worked closely with Mr. May and your School Board this past year, and it has been found that in the additional Pupil Personnel Services area, Mr. Dan Worcester has been extremely helpful with several children in this district.

It appears that long last the combined boards of all districts in the White Mountains Supervisory Union No. 35 are tackling a very serious problem; namely, those children that have not been adjusting to the conventional school program. I feel certain that more emphasis will be placed in this area in the immediate future.

Your staff, led by Mr. May, principal, has initiated several changes in program as noted in another report. The morale continues to be high, and this can be charged primarily to the fact that your Board has been conscious of, and has worked closely with this office, your local administration, and the teachers.

The 1970-71 budget has been reviewed in great detail at many meetings by your local board, and it would appear that your continued support in this area will keep the Bethlehem public school moving in a positive way.

In closing, may I thank each of you, your School Board, your Administrator, and teaching staff for the support that is continually developing a better educational program.

WILLIAM GRASS, JR.
Superintendent of Schools

REPORT OF THE PRINCIPAL

A very successful school year was made possible by the fine cooperation of the Bethlehem Board of Education, Supervisory Union #35 Administration, and the Faculty of Bethlehem School.

Mrs. Juanita Gilpin has continued her effective role as Nurse of the Bethlehem School. She has been able to reach out further into the community and aid the youth of our community.

Mrs. Marian Callender presented two very fine children's musical programs. The Christmas Cantata and the Spring Folk Festival gave children of the Bethlehem School an excellent opportunity to exhibit their latent talents.

This year the Bethlehem School has obtained the additional services of Mrs. Kay Brown, Hot Lunch Consultant; Mr. Charles Melnick, Curriculum Consultant and Mr. Dan Worcester, Pupil Personnel.

These Consultants are made available to the staff of the school through the Supervisory Union #35.

We, the staff of the Bethlehem School, with the cooperation of the Consultants at the school Union level have made the following innovations:

1. Phonetic Reading Programs Grades 1-3

3. Full time Remedial Reading Program.
4. Physical Education Instruction for Grades 5-8, Boys and Girls.
5. Certified Basketball Coach for Grades 7-8, Boys and Girls.
6. Art for boys and girls for Grades 5-6.

The Bethlehem School increased its number of referrals to the White Mountain Community Services in 1969.

The White Mountain Community Services aided Bethlehem School referrals in an efficient and rapid manner.

The number of referrals to the W.M.C.S. by the Bethlehem School increased in 1969. The school faculty found the services to be excellent and communication between faculty and W.M.C.S. personnel excellent.

My thanks to Mrs. Lavone Labonte, Littleton School Nurse, for the many hours of consultation she spent with me.
